#### Other Textbook Options

- **Loose-Leaf:** The student saves money upfront, but cannot take advantage of buyback due to the format.
- **Bundles:** Textbooks that come in a bundle usually contain consumable (one time use) materials like access codes. Due to the cost of replacing these materials, this may prevent buyback from being possible on these titles.

#### Did you know?

- **Textbook Layaway Program:** The WCC bookstore provides a Textbook Layaway Program to help students pay for their textbooks.
- Students can now use financial aid to place orders online and have them sent free of cost to any of our four campuses.
